

ACTIVITY SHEET

HSD CHALLENGE

How high can you build your perseverance?

For young people of all ages
February 6 to 17, 2023

Take on the HSD Challenge with your young people
and build the tallest pyramid!

This challenge is about concentration, coordination, and perseverance! Your young people will be called upon to collaborate and help each other toward the same goal: **building the pyramid of their dreams!**

Here are some ideas to spice up the activity and really bring the themes to life:

- Write an inspirational message on each item you stack, or write the names of the students involved
- Give your challenge a “mantra” (e.g. *Dream big*, or *Always reach for the stars*, etc.)
- Give your pyramid a symbolic name related to perseverance

Psst!

Take advantage of this activity to discuss academic and professional aspirations with your students – their wishes and desires, what motivates them to move forward, and where they see themselves in the future.

PRIZES!

2 x \$100
at the *Bibliarie GGC*

5 family tickets
to the *Musée de la nature et des sciences de Sherbrooke*

2 x \$30

Challenge details:

WHEN?

February 6 to 17, 2023

WHO?

The HSD Challenge is for young people of all ages

Take a photo of your students with their pyramid

and share it on social media, making sure to tag us at **@R3USSIR** and use the hashtag **#JPS2023!**

HOW?

- 1- Take the HSD Challenge by stacking objects of your choice to build the tallest pyramid you can!
- 2- To be eligible, send a photo of your pyramid to **info@reussirestrie.ca**, with the following details:
 - Your name and title;
 - The name of the school and the grade level;
 - A photo of your students with their pyramid.

REQUIRED MATERIALS:

- Stackable objects of your choice (in large quantities). Let your creativity shine!
- A camera or cell phone to take a photo of your pyramid!
- Lots of perseverance and teamwork!

Think green!

Prioritize recyclable or reusable items you already have on hand!

PRIZES:

Nine groups will be named winners and will each win one of the following prizes:

2 x \$100
